About Summer Food Service Program

The Summer Food Service Program (SFSP) was created to ensure that children in lower-income areas could continue to receive nutritious meals during long school vacations, when they do not have access to the National School Lunch or School Breakfast Programs.

For schools in our area that are hosting a Summer Food Service Program, check the Hillsdale Daily News and the Tip-Off for their ad which should post the starting date, time, and location(s).

You can also visit: www.michigan.gov/sfsp to find a location near you.

Please remember in the fall when school begins that a free breakfast will be served to all students at 7:50am each day that school is in session.
