Dear Parents/Guardians of Camden-Frontier Students,

Unfortunately, our school alert system utilized over the last few years is no longer available. If you received alerts from Schoohoo last year, you will no longer receive alerts for the 2015-16 school year. Instead, Camden-Frontier Schools has signed up for a free text message/e-mail alert system through WILX (Lansing) that can notify you about upcoming events such as early dismissals, school closings, delays and emergencies.

This is a voluntary program. If you choose to participate please follow the instructions listed below.

If you have any questions regarding this free alert system please contact the MS/HS office at 517-368-5255.

Subscriber Registration Guide:

1. Visit <http://www.wilx.com/closings> and click on the "text, click here" link.
2. At the bottom of the page (you may need to scroll down to see it) you can "Sign Up for Text Alerts."
3. Fill out the registration form. An email address is required (alerts are sent there by default), but you can also add a cell phone number. If you add a cell phone number, you will receive a text message of the alerts/notifications, too.
4. Near the bottom of the registration form, you'll see an area called "Choose Alerts." Enter the school name.
